

Why Learn Chinese?

0.1 A JOURNEY THROUGH CHINESE CULTURE

Step into one of the world's oldest civilizations. Learning Chinese connects you to a rich heritage of art, philosophy, and traditions that continue to shape the modern world.

0.2 SPEAK WITH A BILLION PEOPLE

Mandarin is spoken by over a billion people worldwide. Whether for travel, work, or friendship, speaking Chinese opens doors to authentic connections across cultures.

0.3 CULTURE, CUISINE, HISTORY & MORE

From calligraphy to cuisine, Chinese is the gateway to a vibrant world of festivals, innovation, and deep cultural roots. It's a language of both tradition and modern influence.

0.4 A BEAUTIFUL, MUSICAL LANGUAGE

Mandarin is expressive, rhythmic, and full of meaning. Its tones and characters make learning a uniquely rewarding experience—both intellectually and artistically.

About Us

DISCOVER, LEARN, EXCHANGE, GROW

The Chinese Language School is part of Language Education Center Pte. Ltd., a dedicated institution committed to promoting Mandarin learning and cultural exchange in Singapore since 2015.

Our mission is to connect the Chinese-speaking community with learners, families, professionals, and institutions across Singapore. We aim to build a strong, inclusive network linking cultural organizations, educational institutions, community groups, and businesses.

With a growing interest in Chinese language and culture, Singapore has become a vibrant hub for cross-cultural interaction. The demand for authentic language education and cultural understanding continues to grow among both local and international residents.

Through engaging social events, language programs, and cultural activities, the Chinese Language School welcomes newcomers and supports the wider community in exploring and appreciating the depth and diversity of Chinese culture.

Chinese School of Language

Group Classes

Students progress through Mandarin levels in under a year, following a well-structured learning path aligned with HSK and CEFR standards. Classes have 4–8 students, run for 2 hours each, with 12 lessons (24 hours) per module

Private Classes

Private lessons are available onsite or offsite, with 10- or 20-hour packages tailored to each student's needs. Flexible scheduling supports exam prep, business, or travel goals.

Children's Classes

Afternoon classes for kids focus on vocabulary and language skills through fun activities. Classes have 4–8 students and are split into under 6 and over 6 age groups, with age-appropriate teaching methods.

Extracurricular Programs

Weekly extracurricular Mandarin classes are offered in partnership with local schools. These engaging lessons follow international standards and help students improve language and social skills through interactive activities.

Kindergarten

Kindergarten

For children aged 3–5, our Chinese kindergarten runs Monday to Friday, 8 AM to 4 PM. The curriculum focuses on five key areas:

- Self and others
- Body and movement
- Sounds, colors, and images
- Language and communication
- Understanding the world

This non-compulsory program supports children's emotional, cognitive, social, and physical development, encouraging creativity, autonomy, and early Mandarin exposure.

Primary School

For children aged 6–10, our Chinese primary school operates Monday to Friday, 8 AM to 4 PM. Alongside Mandarin, students also develop English skills essential for academic and social growth. The curriculum integrates arts, sciences, history, and geography, fostering a well-rounded cultural and intellectual foundation.

Activities and Events

Organized by the Chinese Language School community, we host year-round cultural and social events such as movie nights, festivals, language exchange meetups, and more—providing fun opportunities to practice Mandarin and connect with others.
